

**U3A SC Assets Report**  
**Management Committee meeting – 5 April 2018**  
**PSC meeting – 12 April 2018**

### **New tables for 500/Mahjong/Bolivia groups**

All new tables are delivered to the relevant groups, and a big thank you to our member RIC WRIGHT who, without any fuss or bother, managed to swap old tables for new in each venue, and get it all to the tip at no cost, along with those heavy unusable grey padded chairs.

In order to update Assets list, I am waiting on Ric to confirm his disposal/delivery numbers.  
A fully updated Assets list will be available for May meeting.

**PROPOSAL:** That U3A purchase a \$50 petrol voucher to give to Ric in appreciation.

### **U3A SC Mobile Phone**

A new Nokia mobile phone has been purchased, and inserted with an Aldi sim card (on Telstra network).  
It is planned that this phone will be shared amongst MC members on a roster basis primarily to field calls re membership, courses, etc. It will also be the telephone contact during our new open office hours on Friday afternoons at the Tura Centre.

The new U3A mobile no. is: 0491 099 570

### ***For the Love of Drawing request***

Course Leader Sue O'Loughlin has requested three (3) large tables, approximately 6'. Apparently the tables at the Old Bega Hospital are pretty worn and wobbly.

My research has come up with the following three (3) options:

1. **Office Works - \$49** – (bulk buy discount applies to 13 or more) – delivery 1-5 business days @ \$60 (BP will negotiate if this is the chosen option) – bi-fold -  
Size 1832L x 760D x 735H (approx 6'L x 2'6"D x 2'5"H) – polyurethane top with metal frame and legs – 1 year warranty – weight 9.5kg
2. **Bunnings Warehouse - \$47** – steel legs fold in underneath – steel frame with polyethylene top – Size: 1835L x 736D x 736H (just a tad longer than Office Works) – delivery, much the same as Office Works – 1 year warranty – weight 10.7kg
3. **Snowy's - \$74.90** (down from \$114.90) – bi-fold – polyethylene top with steel frame and legs – Size is pretty much as above – 1 year warranty – weight 10 kg.

My recommendation would be the Office Works tables, if they are suitable to Sue.

Sue's original request for easels for her group are no longer required as there are plenty of easels at the old hospital.

### **Second Banner**

Attached is a mockup of banner No. 2 - one or other of the pics will be used to produce a banner to be attached to the front of a table or a counter. We are waiting for the printer to return from holidays to give us a quote.
